What is the

# *Pac Attack*

## Challenge?

**Hear a siren?!**

This routine has been chosen for our PAC ATTACK Challenge and will perform again for the Best In Show award!

The winning routine will be posted online for voting.

The video with the most votes by next season will win

**\$500 cash and a \$500 costume voucher.**

Routines are nominated live by the judging panel based on entertainment value and must be a group routine to be considered. PAC ATTACK nominees have fun energy on stage and get the audience moving. We encourage you to cheer on the performers, after all your applause is their inspiration!

# What is the *Pac Attack* Call Back?

It's official, Precision Arts Challenge has introduced  
**PAC ATTACK** to soloists.

**How does it work?**

Soloists registered in the Junior, Pre-Teen, Teen, & Senior age groups in all levels (advanced, competitive, and pre-professional) are automatically entered.

This is a performance competition. Soloists that are truly captivating performers are what the judges are looking for on stage. Following their solo, the judges will cue the lights and sirens. This is how you will know that soloist has been chosen for a PAC Attack Call Back. By having the sirens sound, your dancer will be awarded a Precision Performer Award for the weekend.

The PAC Attack Call Back will take place before the awards of that session. PAC Attack Call Back contestants will then be asked to improv. The improv will be done to a jazz song. They will be allowed to wear whatever they want for their Call Back.

They have already won! This is an opportunity to show off and have fun with a crowd full of their biggest fans!
